Remarks

Welcome to 9985 Cedar Island Road, where space, privacy and flexibility come together on nearly an acre in White Lake! This brick ranch offers 6 total bedrooms and 1.5 baths with 1,368 sq ft on the main level plus a finished basement, giving you over 2,500 sq ft of usable living space. Inside, you'll find a functional layout with plenty of room to spread out, while the finished lower level offers 3 bedrooms and family room with a beautiful fireplace to cozy up near. Outside, the 0.81-acre lot gives you the kind of backyard space that's getting harder to find, complete with an above-ground pool, patio and plenty of room to entertain, play or simply enjoy your own space. An attached 2-car garage adds everyday convenience, all in an established White Lake location with Walled Lake Schools. A home with this much space, inside and out, is ready for its next chapter.
